# Skin Care Resource Guide

*Information about our advanced  
skin care products and solutions.*

## McKesson WoundCare Companion™ Skin Care Resource Guide

---

Caring for your patients is a top priority, but advanced skin care can be a challenge. Let McKesson Medical-Surgical help you find ways to make the treatment of wounds easier for you and your clinical staff, while helping your patients heal.

This Product Resource Guide provides details on advanced skin care products and information you need to help you comply with CMS and OASIS requirements.

With options ranging from trusted national brand manufacturers to our own McKesson Brands portfolio, you can easily find the right products for your patients.

**Ask your McKesson Medical-Surgical Account Manager about taking advantage of these opportunities today, or visit our full McKesson *WoundCare Companion*™ program at [mms.mckesson.com/wound-care](https://mms.mckesson.com/wound-care)**

# Advanced Skin Care

*Maintaining skin integrity is the first step in preventing wounds. Properly selecting and using the right skin care product can be an ongoing challenge. That's why McKesson has made it easier for you to identify the proper products and is committed to finding ways to help make the treatment of skin less challenging for you.*

*Our products are available in various units of measure – from single products to cases. Contact your McKesson Medical-Surgical Account Manager or check out [mms.mckesson.com](https://mms.mckesson.com) to order today.*

## LOTIONS, CREAMS, OINTMENTS, BALMS, OILS

### Thera™

Healthy skin begins with better skin integrity. Thera™ advanced skin care products are designed to build that integrity through an all-in-one proprietary blend of vitamins and nourishing ingredients.

Specially formulated for use in clinical and home care settings, Thera™ provides lasting hydration, soothes minor irritations, and helps prevent wounds for sensitive and compromised skin.

#### *The healing power of nature and science*

- **Safflower seed oil** facilitates the regeneration of new skin cells
- **Ginger root extract** stimulates peripheral blood flow
- **Bisabolol** reduces inflammation
- **Hyaluronic acid** facilitates movement of nutrients to damaged tissues
- **Amino acids** serve as water-binding agents to enable skin hydration
- **Lavender-Ylang** provides a pleasing light fragrance
